# 01 INTRODUCTION

# 01 INTRODUCTION

Thoughtfully **designed with luxury and comfort** in mind, the McLaren Balance Bike and Scooters are the perfect additions to your little one's life. Just **like McLaren vehicles**, they offer an incredibly smooth ride and impressive lineup of features.

Most importantly, the McLaren Balance Bike and Scooters **have been rigorously tested for best-in-class safety**. They may be just what your child needs to explore the world around them while perfecting their balance and coordination.

What are you waiting for? Treat your little one to **the ultimate McLaren experience**. Allow them to take in the **beauty** of their surroundings in style. They will thank you for years to come.

## 02 THE McLAREN DIFFERENCE

**Frame** made of carbon fiber to create a lightweight ride for little ones of various ages.

**Anti-slip grips** give little ones incredible control, regardless of where they're riding.

**Adjustable seat** so that the vehicle grows with children and offers excitement for years to come.

**Carbon texture** allows for the incredibly lightweight design that makes pick up a breeze for little ones.

## 02 THE McLAREN DIFFERENCE

**Eco-leather seat** adds an elegant yet comfortable touch.

**Air-filled** tires enable children to enjoy optimal comfort while they hone in on their balance.

## 02 THE McLAREN DIFFERENCE

# SCOOTERS

**Adjustable T-bar** features several height settings to seamlessly adapt to children as they grow.

**Lean to steer system** teaches little ones how to ride and turn with complete confidence.

**Anti-slide surface** on the deck and front suspension system for safe travels in any conditions.

**Back brake** allows for instant stopping so little ones can remain safe no matter where their adventures may take them.

## 02 THE McLAREN DIFFERENCE

# SCOOTERS

**Front-wheel suspension system** allows children to keep a safe distance while riding.

**Stylish wheels** to ensure children ride in extreme comfort while making a statement.

**McLaren Senna-Inspired Wheel Design** give little ones the same luxury feeling adults experience when they look at the outside of a McLaren vehicle.

# McLaren Balance Bike

Two revolutionary McLaren balance bikes for littles have been designed in two colors: **orange** for the child who loves a little attention and **black** for the one who prefers to be a bit more discreet.
